Conference Goals

The EMRBI annual conference is one of the major Business Management conferences of its kind in terms of size, quality of content, and standing reputation of attendees. Many of the papers presented contribute significantly to the business knowledge base.

Our goal is to create a friendly and approachable academy and environment, a strong network, whereby its members (including senior worldwide scholars, young faculty members, doctorate students, researchers, and business practitioners) are guiding and mentoring each other. Some of the conference distinctions are:

- a) Publication opportunities in highly ranked and indexed journals in Web of Science and Scopus
- b) ISBN Conference Book of Proceedings including an ISSN for the book series.
- c) Scopus indexed Book series with major publishers such as Routledge, Taylor and Francis Group and Palgrave Macmillan, Springer Nature. A collection comprising the best full papers submitted to the conference will be invited for inclusion to these books.
- d) Authors' Networking and Collaboration Workshop
- e) Meet the Editors and Meet the Reviewers Sessions
- f) Special Conference Activities and Awards
- g) Special Issue Paper Development Workshops

Author Guidelines

Papers and abstracts should be submitted online through the conference website at <https://emrbi2025.com/submissions/>
